

# Venetian Blinds

16mm, 25mm, 35mm & 50mm

Aluminium Venetian Blinds are available in four sizes of slat and a wide range of colours and finishes to match or compliment any interior décor. These blinds offer effective shade and can cover up to 9m<sup>2</sup> allowing a large area to be covered by a small number of blinds.

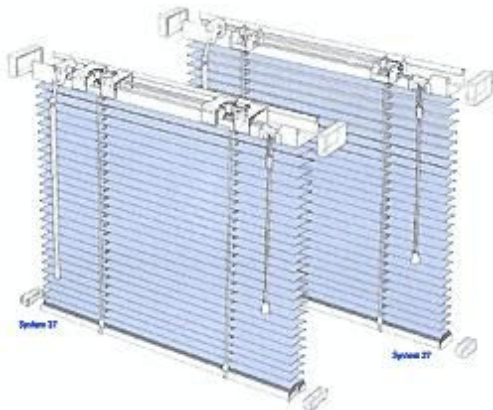

The use of 16mm slats is recommended for very small windows and inside glass partitions. They are available in a wide choice of colours from our standard range and use a 27mm x 19mm headbox to give room for the tilt and lift mechanisms.

Our 25mm Venetian Blinds use the same headbox and are suitable for all applications where this kind of blind is appropriate. All colours in our range are available varying from black to white, fashion colours, wood effect, metallics and even marble.

For these two sizes of slat the headbox, bottom bar and ladder laces are either colour matched or toned. Lift is by cord and tilt by wand.

There are a number of colours available with 35mm or 50mm slating. These blinds have cords to operate both the lift and tilt mechanisms and are especially suited to larger sizes.

Our standard range also includes a choice of perforated slats. These allow the user to maintain a view to the outside, even when the blinds are fully closed.

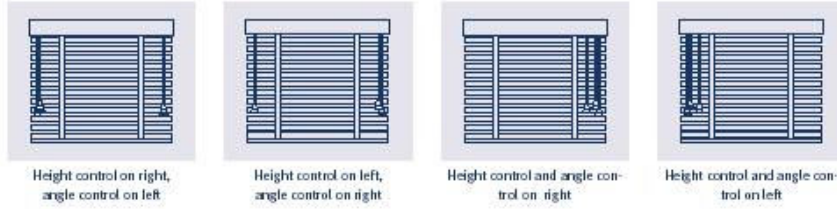

All blinds use ladder lace as standard.

Control length can be specified to meet a customer's specific needs. For example, if the blinds are to be in a room used by small children we can make the controls so that they remain out of reach.

## Venetian Control Options

Controls can be fitted to either side of the headrail as per this diagram.

## Macassar Venetian Size Chart

Slat Size	Minimum Width (mm)	Maximum Width (mm)	Maximum Drop (mm)
16mm	300	2590	2743
25mm	300	2895	3050
35mm	500	3050	3050
50mm	500	3050	3050

## Venetian Blind Cleaning

Cleaning of Venetian Blinds can be achieved in three ways.

1. Dusting using a Venetian Blind cleaning brush.
2. Careful use of a vacuum cleaner with the soft brush attached.
3. Specialist Ultrasonic Bath – Please contact us for a referral.
